

PIG recognizes those who have defected from the constraints of group identity. Unfairly known as SELLOUTS, these are individuals who have boldly abandoned the unwritten rules of their group. By taking the bold step away from group identity, and coming forward, declaring their independence from such groups, daring to think for themselves, PIG salutes you with a hearty Oink! and this.....

CERTIFICATE OF SELLING OUT

I, _____
certify that neither society, nor the government of the United States owe me anything beyond my stated rights, as guaranteed in the Constitution of the United States of America. As an individual, I simply demand to be recognized by the content of my character, with no regard to my ethnicity, gender or orientation. I denounce anyone claiming to be my leader or spokesman. Rich, coddling, guilt-ridden, uppity liberals can take their business elsewhere. As of this day, I hereby drop any hint of separatism, group-identity, and victimhood.
